

Dedicated to Once Upon a Time in the Wild West **Fryšták junior sheriffs Klára, Lauren, Nikola** (www.nikolapol.cz; thanks for letting me use this photo of yours), **Pavel & Pavel and Veronika.** ☺

Special thanks to Fryšták Canadian junior chieftains **Marie and Adam** for starting www.poetryinemotion.cz and coming up with this Photograph Poem task. ☺

Once Upon a Time...

**It started with a toast
On that night premiere
Touches utmost
Were like mere**

Waves of the oceans

**Stroking the shore.
Have You Ever done that before?**

**Daily, with dew on green grass,
Sunrise Rendezvous brought us**

Together. Tried Masking our Emotions,

**Yet, strong feelings spurted fast
In high Spirits on their Quest**

...

**Went out our campfire.
Then the choir**

Sang this last lullaby.

The morning after, every eye

**Washed a cheek with tears.
Lonely now it appears.**

You're Wanted

**Claire, Paul, Paul,
Lauren, Veronica, Nicol**

Back. For you did it

All

**With amazing grace.
Yours may be Sun's praise.**
